**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband is critical to educating our children with many educational videos available only through broadband in a myriad of topics. Competition in an open market is always the best way to have consumers get the best services for the best price. A monopoly only benefits the monopoly. We urge you to support broadband competition because American consumers deserve choices.
